Independents Not Likely to Be Caught in Patterson's Trap.

Nashville, Tenn., September 13.—On the eve of the Independent Democratic State Convention, whose action tomorrow will go far toward determining whether the next Governor of Tennessee will be Democratic, or Republican, the Independents assert that the Governor's willdrawal from the Regular Democratic gibernatorial candidacy is an attempt to maintain in power what they call his maintain in power what they call his maintain in power what they call his maintain in the Independents, believing this to be Governor Patterson's motive, will refuse to-morrow to accept the peace overtures made to-day by the Regular Democrats. The Independent leaders say that much of the country vote holds a belief that it is in honor bound to indorse the Republican moninee (Captain Ben W. The Regular Democrats railled to-day and prepared resolutions appealing to the Independent convention to heed the chance for Democratic success this fall, either by naming the date for a harmony convention or by leaving the tangle to be unwound by Norman E. Mack, chairman of the National Democratic Committee.

The compromise resolutions declare that after the withdrawal of Governor Patterson, reasons for factional differences no longer exist; that it is the duty of all Democrats to frustrate the attempts of the Republican party to control the political destinies of the State.

Seven of Ten Defendants Appear in Court.

Chicago, September 13.—Seven of the ten officers of Chicago meat packing companies indicted yesterday by a Federal grand fury for violation of the Sherman anti-trust law, appeared in the Federal court to-day and gave bond for their appearance. Each defendant was obliged to furnish three bonds for \$10,000 each.

The three men who falled to furnish bail are Louis F. Swift, president of Swift & Co., who is in Europe: Thos. B. Connors, superintendent of Armour & Co., who is now returning from Europe; Francis A. Fowler, department manager of Swift & Co., who is ill.

Judge Landis at the morning session of the court, ordered bench warrants after attorneys for the absences explained why they had failed to appear in court, the order was recalled. The warrants were not issued.

The packing company officers appeared in court with their attorneys, all refused to discuss the Indictments. All gave personal bonds, signed by men who scheduled real estate in Cook county.

MR. CHANLER VEXED

New York, September 13.-Robert W. chanler, whose matrimonial affairs

discussion, was in town to-day conferring with his counsel, Sidney Harris, At the conclusion of the conference, through Mr. Harris, Mr. Chanler made his first public statement since his sudden return from Parls. Its tenor was that there was no foundation for the reports concerning his domestic affairs, "Mr. Chanler is greatly annoyed by the prominence given his affairs," said Mr. Harris. "He is very much embarrassed by the espionage of the press. There is no litigation. He left his wife on good terms, and there is no foundation for all these misleading reports. In fact, I mght call the whole thing a tempest in a teapot.
"Mr. Chanler is a private citizen, and desires to be let alone. Too much has already been made of this matter."
